THE RED CROSS DRIVE ON.

Committees Must Work Fast—Campaign Closes 25th.

Wear a Red Cross button.

It is a badge of honor.

It should be worn throughout the year.

It is an evidence of loyalty to the grandest organization ever devised by the human mind.

The Fourth Annual Roll Call of the American Red Cross is under way, and committees are canvassing Jasper and community for memberships to this great organization. Annual membership dues is \$1.00 for each member. A small amount, indeed, but when backed by the Red Cross Society it's ability to do good is multiplied many times over.

The work of the Red Cross grows in importance as it grows older. Today the Red Cross is employed in general public health work, teaching the care of babies, teaching wives and mothers food values, conducting classes in home hygiene and care of the sick, as well as assisting in local welfare work where disease and poverty brings suffering to the home.

Mrs. Willis Carns is director in Jasper and her committees are at work. Let nobody fail to be enrolled in the 1921 Red Cross membership list.

No Light After December 1.

Mr. Percy, present manager and supposed owner of the Jasper Electric Light Co., served verbal notice on Mayor Hull last week to the effect that he would be unable to continue operating the plant after above date. He claimed to have exhausted all his resources and as the plant was not making enough to keep it up properly he proposed to close the doors and quit December 1.

The city council is in communication with attorneys to see if the city has any recourse in the event Mr. Percy does close down and puts the town in darkness.

The service has been bad enough the past six months, but not as bad as no lights at all; and besides, it is the opinion of some who claim to know that the plant would yield a profit if handled right.

Promoting Y. M. C. A. Activities Here.

A meeting of men interested in boys' Y. M. C. A. work in Jasper was held at the News office Tuesday evening to discuss plans for work here with Mr. L. E. Riley, county secretary.

After considerable discussion it was moved by Dr. Knott, seconded by Mr. Thomas that E. W. Scott, Mr. Brightwell, M. L. Arner and A. F. Drake be a committee to promote the Y. M. C. A. activities in this town.

The men felt that the committee as appointed should get to work at once and organize the boys, looking toward the carrying out of a strong boys' program here this winter. The leadership is available and the boys are quite ready to enter into a four-fold program.

We hope to be able to announce the plans in a few days.

Small Fire.

The roof of Mr. Laughead's house, in the southeast part of town, caught fire last Friday and about \$100 damage was done before the fire was extinguished. A defective flue is said to have been the cause of the fire.

VIRGIL CAVENEE PASSES AWAY.

Had Been in Poor Health Several Months—In Bed but Four Days.

The community was shocked last Friday morning when the death of Virgil A. Cavenue was announced. It was known that the young man was in poor health and had been more or less the past two years, but his condition was not generally known to be serious.

Mr. Cavenue suffered from kidney trouble and contracted a heavy cold the week before his death, but did not take to his bed until Sunday night previous to his death.

The funeral was held at the M. E. Church Sunday afternoon, November 14, Rev. E. H. Sapp conducting the service. The services were attended by the Odd Fellows and Rebekahs, each society coming in a body. The pallbearers were Odd Fellows and were young men who were admitted into the lodge when Mr. Cavenue was Noble Grand of Jasper Lodge. They were—Gerald Arner, John Campbell, Virgil Rice, Len Quillin, Gully Serafini and Amon White. Music for the occasion was furnished by Mrs. Allen Peterson, Mrs. Anna Spaid, Omer Webb and E. L. Brown, Mrs. L. T. McCune presiding at the piano. The seating capacity of the church was taxed to its utmost and many stood throughout the service.

Interment was given in the Brethren Cemetery on the base line. Jasper Lodge 498, had charge of the services at the grave.

Virgil A. Cavenue was born in Cedar County, Mo., April 12, 1891, hence his age was 29 years, 7 months and 7 days. He came here with his parents and sister some 10 years ago, and married Miss Maggie Frances Teeter about 7 years ago. The latter died about a year ago.

He was a young man of many admirable qualities—industrious, straight forward in all his dealings, he won a large number of friends to him. He was a loyal member of the Odd Fellows, Rebekahs, Yeomen and the A. H. T. A.

He was a christian man, having been converted in 1912 and united with the M. E. Church, later uniting with the Baptist Church to which his wife belonged.

Besides his sorrowing parents and sister, Miss Captolla Cavenue, and other relatives he leaves a large circle of friends to mourn his death.

Building Improvements

Ben Hathaway is building a new barn for Dennis Grider.

Everett Lambeth is re-shingling a barn and making other improvements for Earl Keener.

Clyde Raines has put in new colonades and made other improvements for Dr. Knott.

Alf Buerge has been making some improvements for Chas. Covert.

Frank Wine just finished the new schoolhouse for the Rocky Mound District. The teacher and pupils were very glad to be able to occupy it this cold weather.
